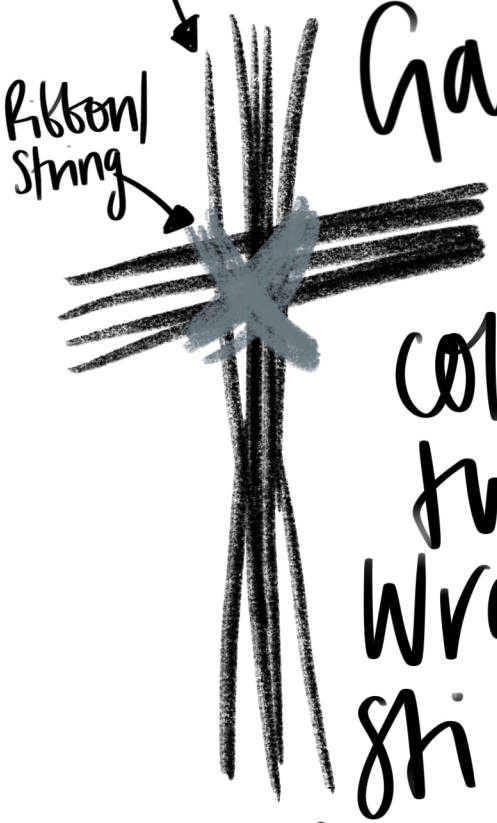
Draw you doing your favourite thing this Easter

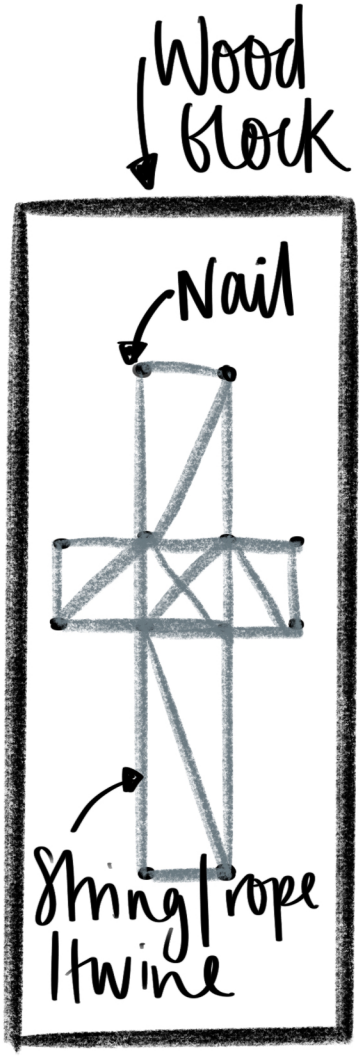
Easter Story Stones

Grab some stones (or little bits of card) // draw on parts of the Easter story or words. // Retell the story using these // Display these over the Easter period! ★

Cross Crafts



Gather some sticks // collect some twine // Wrap around sticks to hold together //



Find wooden block // Nail nails at points of the cross // With your rope connect by wrapping around nails // Knot end.

As you do these, think of Jesus & what he did for you.

When Jesus rode into Jerusalem, people laid down palm leaves to celebrate him as king. yay!

The biggest palm leaves are in India on the Raffia palm tree. The leaves can grow up to 25m long & 3 meters wide!!!

Whats the biggest palm leaf you can make? send in your pictures!
