Everyone praying – nothing of lasting value is accomplished except through prayer.

Praying for Children: Lord Jesus, we declare that you are good and your plans for your children in All Saints Parish are good. Draw them to you and your word. We thank you for Super Saints and Youth, come by your Spirit and pour your love into the hearts.

COLLECT (Worldwide Anglican prayer) for The Second Sunday before Advent

Heavenly Lord, you long for the world's salvation: stir us from apathy, restrain us from excess and revive in us new hope that all creation will one day be healed in Jesus Christ our Lord.

Our Bible readings this week are:

Exodus 34:29–35

Please bring your Bible to open or turn on in the service (our readings are NIV 2011). As you dwell on God's word, pray and ask him what he is saying to you or wanting you to do as a result.

SERMON NOTES – What has God said today? What will I do about it?

Save the Date – Sunday 22nd November
Bring and Share Lunch, Fellowship and Christmas Invitations

Join us after church at 12.30pm for a bring and share lunch – a chance to enjoy food, friendship and fellowship together. Afterwards, we'll bundle up the Christmas Services invitations and head out to deliver them to homes across Wick.

Our aim is for everyone to share responsibility for delivering invitations to at least two roads in the parish, sharing the invitation to 'Come and Join the Celebration' this Christmas at All Saints Wick. Whether you can join us for lunch or come along just to help with the deliveries, everyone is welcome and everyone is needed! Together, we can make sure the whole parish receives a warm invitation to celebrate Christmas with us.

This November we are highlighting - Safeguarding -It is the practical action taken to help people be safe and to prevent harm. In a church context, it's about creating a culture where all children, young people, and adults can worship, belong, and explore faith together without fear, pressure, or abuse, and where concerns are taken seriously and responded to well.

Churches are often built around trust, welcome, community and service. These are all positive and powerful strengths, but they can also create risk when boundaries are unclear, power and authority is misused, or concerns are minimised or covered up. Safeguarding matters because: Abuse can happen anywhere, including faith settings. People may disclose harm in church because it feels safe and trusted. Good safeguarding protects everyone - those who may be harmed, those who have been harmed, those who serve and lead. Safeguarding is not about suspicion or bureaucracy; it is a form of care: taking responsibility so that people can participate confidently and safely.
