## WINTER NEWS -2022

### CLIENT UPDATE

We are currently working with 29 clients and have had the pleasure this month of seeing 4 clients go debt free, with 5 more due to go debt free in the next month!

We have had many opportunities to pray for clients and are excited to share that several are on a journey to discovering the Christian faith for themselves.

*'For years I've suffered with debt and mentally and physically I was becoming very unwell. My wife put me in touch with CAP. They understood and were sympathetic and I've now been granted a DRO. CAP have also helped me broaden my mind in reference to faith and I'm now going to church and doing Alpha, asking the questions I've always wanted to and I've never been happier.'*

### GET INVOLVED!

Do you have a spare hour or two a week and have a heart for building community? We need volunteers to help in the following areas:

**BEFRIEND A CLIENT** during their journey out of debt.

**BE A CHAPERONE:** Accompany Emily (the centre manager) on visits to see clients in their homes - these visits are no more than 2 hours.

**MANN A CAP STAND:** Offer an hour or two a week/fortnight/month to mann a CAP stand to advertise our service in the local area.

### COMING UP...

In March we will begin running the first of our termly money courses, looking at getting to grips with finances and learning how to budget, save and prevent debt. This is open to anyone! For more info or to book on go to: [www.capuk.org](http://www.capuk.org)

Next week we start our monthly drop in CAP Coffee at Creative Heart.

We are now running quarterly prayer and worship nights, focused on praying for CAP. If you would like to come along, hear some stories & pray for all involved, get in touch!
