

An Introduction from the Priest-in-Charge

'Whoever comes to me will never go hungry. Go and tell the people all about this new life.' John 6:35 & Acts 5:20

Thank you for looking at this job advert for Associate Vicar at Lyminster and Wick.

I'm Lisa Fairman-Brown and I was licensed as Priest in Charge in September last year – it is a new and exciting season for me and for the benefice. It was clear God was leading me here and I am excited to be called to this part of God's growing kingdom. I am part of the New Wine Leadership Network and look forward to developing links with other leaders and within our Churches. We are in the early days of discerning afresh God's vision and values for our churches.

Knowing – keeping the focus on Jesus as we welcome the Holy Spirit to fashion and empower us.

Loving – unapologetically becoming more like Jesus in every aspect of our lives.

Following – sharing Jesus with others, in our churches, our communities and wherever God places us.

I hope and pray you also will know God's leading as you seek Him for your next move.

All Saints is a lively evangelical church with an openness to the Holy Spirit, based in two sites on the outskirts of Littlehampton. St Mary Magdalene is a welcoming, traditional church in the village of Lyminster, a rural parish which will soon be closely connected with the new development of Hampton Park which lies within the parish. Our worship styles range from more traditional to informal, always friendly and welcoming. Our worship and teaching flow from biblical principles, seeking to apply these to our daily lives, and an openness to the leading of the Holy Spirit as we seek to be 'Spirit-filled disciples who deeply know, love and follow Jesus.'

The Associate Vicar will be a key leader within the benefice, working alongside me, the Readers and lay leaders, as we form our new vision and live it out in the church and in the community. It is an exciting season and also a challenging one as we seek to identify the gifts of each person and raise up teams to sustain and fulfil the mission. Within all this we rely on the Holy Spirit to bring the presence, power and peace of Jesus to our everyday circumstances and relationships. There is so much potential at All Saints and St Mary Magdalene.

If you would appreciate a conversation prior to submitting your application, please contact me on minister@allsaintswick.org.uk or 07925 275184.

With love and prayers,

Lisa Fairman-Brown
